Your tasks in detail:

Strong oral & written communication skills

Efficiently and effectively respond to all customer service requests via emails and phone

Experience with UPS World Ship all Microsoft Office programs preferred but not required

Thorough, detail oriented and able to complete tasks on time

Relaxed and positive team player

Able to rise to the occasion under pressure

On top of all that, if you love the outdoors and having fun with us, not just at the office but also on the mountain, on the river and in the dirt, get in touch with us now.

On a mission to cut America's divorce rate by encouraging couples to share a glass of wine nightly, Naked Winery has been an innovative and thriving industry leader for over a decade now. Founded in Hood River, Oregon, Naked Winery is about more than just wine. Our brand continues to grow with endless possibilities and opportunities. Naked Winery encompasses Outdoor Vino, our line of wines bottled in BPA-free plastic bottles and meant for adventure with a tagline of "Take it Outside". Our premium Orgasmic Wine includes romantic and exotic varietals such as Tempranillo, Sangiovese, Nebbiolo, Albariño and more. Our flagship brand and namesake Naked Winery strives to change the conversation. We say we "Aim to Tease" with labels that are just a bit provocative and risqué. We believe you should drink what you like and encourage our Naked friends & family to Get Uncorked and enjoy what life unexpectedly brings you.
